

GAS TANK EXTENSIONS

1928-29 Model A Ford:

- Prior to using your gas Tan Neck Extension for the first time, and as needed lubricate the “O” ring with petroleum jelly or point’s lubricant.
- Remove gas cap.
- Insert gas tank extension into gas tank neck and snap in place to secure.
- Insert nozzle and add gasoline as desired.
- Remove Tank Extension and replace gas cap.

1930-31 Model A Ford:

- Remove gas cap.
- Insert gas tank extension and lightly tighten to secure.
- Insert nozzle and add gasoline as desired.
- Remove Tank Extension and replace gas cap.
